

# IPAC Champions Program Syllabus

## Overview

IPAC is everyone's business: The IPAC Champions program is designed to empower department leaders to reinforce and support IPAC practices alongside the IPAC Lead. This program builds knowledge, confidence, and leadership in infection prevention and control, strengthening compliance across all departments.

## Learning Objective

By the end of the program, participants will be equipped with the knowledge and practical skills to support IPAC compliance across all departments and strengthen infection prevention efforts in their workplace.

## Course Format

- **Part 1: Theoretical/Classroom Learning (4 hours)**  
Gain a strong foundation in IPAC principles and best practices through engaging classroom sessions.
- **Part 2: Practical/Interactive Sessions (4 hours)**  
Apply learned concepts through interactive and practical activities tailored to real-world scenarios.
- **Part 3: Follow-Up Audit (4 hours)**  
Conduct a follow-up audit to assess the IPAC champions program implementation success and identify improvement opportunities.
